PROCEEDINGS

Claim construction hearing -- Held

NOTES AND ORDERS

Parties have stipulated that the term “particular point of view” requires no separate construction. The Court hears argument on claim construction and takes the matter under submission.

For Dkt. No. 163, Corephotonics is directed to produce by October 13, 2023, the Share Purchase Agreement for the acquisition of Corephotonics. The agreement may be designated as “outside counsel’s eyes only” for confidentiality purposes.
